

Agrimontana

Azienda Agrimontana, founded in 1972 in Borgo San Dalmazzo (Cunéo) in Piedmont, Italy, quickly became the market leader for chestnuts, candied fruit and jam in Italy. The main reason for this success is that, from the very beginning, Agrimontana has only worked with natural ingredients, never used colorants, preservatives or artificial flavorings. Moreover, Agrimontana only uses fruit grown in Italy. Our range also includes products for making real Italian gelato: bases and pastes with all natural ingredients.
